GOALS, OBJECTIVES, STRATEGIES.....Page 2

STRATEGIC PLAN

Agency Name	Arkansas Oil and Gas Commission
Agency Mission Statement: To protect the correlative rights of all parties, conserve the State's natural resources and protect the environment through the enforcement of the laws of the State of Arkansas as they relate to the exploration and drilling for and the production and development of the oil, natural gas and brine resources of the state.	

AGENCY GOAL 1:

To regulate the oil, natural gas and brine production and development industries in Arkansas.

STRATEGIC PLAN

Agency Name		Arkansas Oil and Gas Commission
Program		Oil and Gas Commission Operations
Program Authorization		A.C.A. 15-71 through 15-74-101 et seq, Commission Regulations
Program Definition: Funds-Center Code: <u>XXX</u>		Enforcement of existing laws and regulations concerning all activities associated with the oil, natural gas and brine producing industries, including the disposal and or injection of produced saltwater and brine. Promulgate additional orders and rules necessary for the protection of the correlative rights of all parties.
AGENCY GOAL (S) #	1	Collect and store all records and data associated with oil, natural gas and brine production. Provide assistance to the general public with complaints, problems and requests for data.
Anticipated Funding Sources for the Program:		Special Revenue

GOAL 1: (Sub-Funds Center Code: XXXGOAL1)

To protect the environment and the correlative rights of all parties through the conservation of oil, natural gas and brine resources.

OBJECTIVE 1: (Sub-Funds Center Code: XXXG1OBJ1)

To address and resolve issues raised by royalty owners, landowners, and operators of oil, natural gas and brine wells in a timely manner.

STRATEGY 1: (Sub-Funds Center Code: XXXA)

Conduct technical review and approval of drilling and production activities, field investigations and inspections of production operations, as well as, record keeping and other administrative duties.
